## Our Rules

1. Listening Ears

2. Gentle hands  
and feet

3. Clean-up  
messes

**We have rules in my family.**

Rules help my family know what to do.

Momma, Grandma, Devon, and I all follow the family rules. I know just what to do to follow the rules.

**The first family rule is to use gentle hands and feet.**

I use gentle hands and feet every day.

Gentle means I am soft and kind with my touches.  
Using gentle hands and feet keeps my family safe.

**The next family rule is to use listening ears.**

I use listening ears all the time. I use my listening ears to listen to my family when they talk, and then I follow their directions. Using listening ears shows my family I care.

**The last family rule is to clean up messes.**

I can clean up messes because I am so big.  
When I am done playing, I clean up my toys.

I also help clean up messes after we eat.  
Cleaning up messes makes me a big helper!

**I know all the family rules and I know  
what to do to follow the family rules.**

Everyone will be so proud of me  
when I follow the family rules.

I will be proud of myself for knowing what to do!
